An exciting week of fun, sport and activities for kids and teens led by excellent coaches

King's Camps is the UK's leading sport and activity camps provider.

We use dynamic, fun and rewarding activity sessions, as well as competitions, themes and prizes, to create a great week for every child. Led by an experienced staff team, our programmes enable children of all interests and abilities to discover new activities, make friends, and enjoy a healthy and active holiday.

Durban Girls' College

Durban Girls' College is an ideal venue, offering an excellent range of indoor and outdoor facilities and extensive grounds, making it perfect for children to experience the fun and activity of King's Camps in safe surroundings.

Committed to parents

King's Camps is committed to providing families with peace of mind while giving children a great holiday experience. We have an exemplary health and safety record and our staff are qualified, motivated and love to work with children. We also subsidise 10% of our places to enable children of families in need of support to experience our camps.

Committed to children

King's Camps is part of the King's Foundation, a charity (no.1105460) committed to providing high quality programmes that will have a positive impact on children from all walks of life. We offer thousands of children worldwide the chance to develop and have fun in a healthy and positive environment.
